

Humidity Chamber

Model: HT- HC-3

- Temperature Range : 15 – 50 deg C
- Temperature Display Resolution: 0.1 deg C
- Temperature Regulation : Better than +/- 2 deg C
- Humidity Range : 40 to 90 % RH
- Humidity Accuracy : Better than +/- 2%RH
- Size : Available various sizes
- Inner Body : SS
- Outer Body : SS
- Digital Controller for precise Temperature & Humidity Control.

Options

- Data Logging USB Port and Drive (option)
- Software for Data Management and Report
